Job Description: Development Chemist

Salary: Competitive

Age: 18 years and above

Company: Advanced Development & Safety Laboratories

Email: justyna.sobczyk@adslaboratories.com

Location: Paignton, Devon

Job Summary:

We are currently seeking a Development Chemist who will play a critical role in researching, developing, and improving chemical processes and products. The ideal candidate must possess advanced skills in chemistry, safety protocols, and quality control while maintaining meticulous records and ensuring compliance with regulatory standards. This role is full time and is based in Paignton, England.

Working Hours:

- Monday to Friday
- 0900 – 1700 (9:00AM – 5:00PM)

Role Responsibilities:

- Participating in the NPD process, which includes taking briefs from concept through to product launch.
- Accurately documenting all aspects of formulation and the method of manufacture.
- Consolidating test results and meticulously analysing findings to drive product improvements.
- Managing and closely monitoring the product development process, including the scale-up of development.
- Investigating and proactively solving stability and production issues.

Qualifications and Skills:

- Bachelor's degree in Chemistry or a related field (or similar educational background).
- Demonstrated experience in formulations and testing within the cosmetics industry.
- Exceptional organizational skills and punctuality.
- Strong communication skills, both written and verbal.
- A keen attention to detail and the ability to maintain meticulous records.

- Proficiency in IT skills, particularly with Microsoft Office applications such as Excel and Word.

Application:

To apply for this position, please email your CV (Curriculum Vitae) to justyna.sobczyk@adslaboratories.com. Kindly include a cover letter briefly outlining your interest in the role and any relevant experience or qualifications.

Note:

Only shortlisted candidates will be contacted for further steps in the selection process. We encourage applicants from diverse backgrounds and are committed to creating an inclusive and equal opportunity workplace.
